About This Game

One of the highest rated Xbox Indie Games is now available for PC!

How long can you survive in this co-op wave based shooter? Featuring 35 characters with unique stats, over 100 weapons, 30 stat-boosting hats, and 6 unique levels, Zombie Estate 2 is a frantically fun experience to share with friends! Where else could you be a duck wielding a shotgun or a robot with his favorite flame thrower?

The text 'Online Multiplayer!' is written in a large, white, bubbly font with a black outline. It is surrounded by several pixel art characters, including a green zombie, a character with a red hat, a character with a blue hat, and a character with a yellow hat. There are also some red and yellow pixel art elements.

Featuring both online and local co-op! Play unlimited wave mode to see how many waves you can survive!

The text "Over 100 Weapons!" is written in a large, white, bubbly font with a black outline. Above the text are several pixelated icons of various weapons, including a rocket, a machine gun, a flamethrower, a sword, a bow, and a shotgun.

Over 100 Weapons!

Purchase weapons in between waves to help tip the odds in your favor. The store has been stocked with new weapons such as the Nuke Gun and Welding Torch. Zombie Estate classics return like the Bubble Launcher and Card Shuffler!

The text "13 Zombie Types" is written in a large, white, bubbly font with a black outline. Above the text are several pixelated icons of different zombie types, including a large green zombie, a yellow zombie, a blue zombie, a red zombie, and a white zombie.

13 Zombie Types

Face 13 unique zombie enemies! Randomized wave generation ensures every play-through is fraught with new challenges!

The text "35 Unique Characters!" is written in a large, white, bubbly font with a black outline. Above the text are several pixelated icons of different characters, including a green character, a blue character, a brown character, a yellow character, a black character, and a white character.

35 Unique Characters!

Unlock new characters with Zombie Points earned at the end of each round! Want to be a duck? No problem. Sheep? Sure, why not? A sentient piece of broccoli? Why...? But sure!

The text "Customizable Stats!" is written in a large, white, bubbly font with a black outline. Above the text are several pixelated icons representing different stats, including a red cross, a gold coin, a green plus sign, a flame, a blue water drop, a brown bone, a grey gun, a black shield, and a red hand.

Customizable Stats!

Balance your team's stats to create the optimal zombie-killing strategy. Want to be a beefy tank? A medic? A master of robot minions? Or how about dealing the most damage you can? Augment your character with accessories to boost their stats, customizing the character to your liking.

"Guys, I'm broccoli shooting cows at clowns."
